		Total:	\$3,800.00

Hall Electric is proud to provide the quote for the following service. Hall Electric requires a 50% deposit for materials and mobilization. Credit card payments will be charged a 3% convenience fee at the time of payment. This quote is good for 30 days from date of original email, but are subject to change due to changes in manufacturer pricing.

* Provide power to keypads located at two entrances for the tennis court.

* Power is feed from building.

* Will need to trench from building under one side walk to first location.

* Then run conduit on sidewall by air conditioning equipment to second location.
